

# Montezuma Water Company

## CHECKLIST FOR NEW MEMBERSHIP

I, \_\_\_\_\_, understand all of the below items as they were explained to me by personnel of the water company.

\_\_\_\_\_ I understand that materials, excavation and labor costs involved in the installation of the meter will be payable by me and must be paid in prior to installation.

\_\_\_\_\_ I understand that a road bore/cut is needed/not needed in order to receive service at my property and I am responsible for the cost of the road bore/cut.

\_\_\_\_\_ I understand that before my application is processed I will need to provide MWC with a physical address.

\_\_\_\_\_ I understand that 5 feet of clearance is required by MWC for any other utility to be installed from the MWC pit. If another utility is placed within 5 feet of the pit, the cost to move the pit shall be mine.

\_\_\_\_\_ I understand that I will continue to have a monthly minimum bill, once the membership is approved by the Board of Directors, whether it is installed or not.

\_\_\_\_\_ I have been given a copy of the Rules & Regulations

\_\_\_\_\_ I agree not to construct my residence within the 100 year flood plain.

\_\_\_\_\_ I understand that if all estimates are based on non-inclement weather. Cost may increase due to weather conditions.

\_\_\_\_\_ I understand that MWC has a reimbursement policy, and I must pay additional fees to reimburse others for the cost of the line.

\_\_\_\_\_ I would like my meter set ASAP. **I understand that I must contact MWC once I have set my blue stake and ready for installation.**

\_\_\_\_\_ **I agree to have the location of my meter pit approved by MWC prior to installing my service line.**

\_\_\_\_\_ I understand that a "County Road Permit" may be required, if so this fee will be payable by me.

\_\_\_\_\_ Stake Given \_\_\_\_\_ Applicant installed stake

By signing this form, I pledge that I fully understand the above and wish to continue with a membership at MWC.

\_\_\_\_\_ Applicant

\_\_\_\_\_ Date

UNCC MUST BE NOTIFIED PRIOR TO INSTALLATION OF THE METER-48 HRS ARE REQUIRED BY LAW PRIOR TO EXCAVATION.
